NRHA Results

The months of May & June hosted our two biggest affiliates. Affiliate qualifiers are club shows that keep track of points in each division. The top ten in each division are move forward regional competition. First through fourth in the regional competition advance to the national competition.

Laurie Yearin showed Chex This Wave Out for the first time in the green as grass & did great job! Green as grass is a division for riders just beginning their reining endeavors.

Lauren made her debut with Maxed On Chocolate & dang can he stop! She shows in the rookie pro division which is designed to help young trainers enter the industry.

Amanda Golestani won the Arab circuit award (a day sheet) at the Mothers Day Slide.

Victoria Roe did an outstanding job in an outstanding riding Smart Chic Magnet in the 10 & under reining winning the short stirrup class, WAY TO GO!

The 10 & under, short stirrup class is a transition class that runs pattern 11, which is a shorten pattern for young reiners.
